Is the Catholic Church really small-minded about gender and sexuality? Do we really know the whole story? In a world of stereotypes and labels, God invites us to a bigger sense of who we really are. Jesus invites us to a love that is bigger and more beautiful than we can possibly imagine.

Anna Carter, founder of Eden Invitation, will share her testimony of chaste, abundant life with same sex desires in the Catholic Church.

Come with an open mind and an open heart to discover the power of Christian teaching on identity. Walk away with a fuller understanding of what Jesus said in Matthew 19 ("*In the beginning it was not so*") and not only how does "*the beginning*" illuminate the Church's teaching on sexuality and gender, it's also a powerful expression of God's love for His children.

There are no tickets required. This event is free, but please prayerfully consider a \$5 free-will offering at Mass to help keep Lifeline going.
